Does your customer wish to view the slab? Y N If **YES**, please call or ask your customer to call and set up a viewing appointment.
If **NO**, please initial statement below.

We strongly encourage viewing the actual slabs to be used in your application. If you are choosing not to view your slabs, please be advised that all of our slabs are or contain natural products. We do not guarantee, nor are we responsible for, any differences in shading, veining, movement, or color tone found between samples and slabs. All stones may have natural fissures that can be both seen and unseen. The samples serve only to indicate in a general way the color, marking, and texture usually found in that color and may vary.
